LOUVRE

A new design with dimensions of 2.54m x 2.56m. Its three walls are partly made up of moveable wooden shutters. The user may position them at any angle, thus opening or closing the cabin. The fourth wall has an entrance that may be used to insert a spa, which fits the cabin perfectly. The Louvre cabins are also available with a bar. In this option the gazebo has two walls with moveable shutters and the third wall is fitted with the bar.
