

GAZEBOS

SUPRA

Made of solid wood, Supra is an elegant, fully enclosed gazebo, giving full protection from the elements. Tinted glass enables you to enjoy your spa and garden in privacy. The spacious design allows for accessories such as a table & stools. Standard features include skylight, three double opening windows with locks and door latch with dead bolt lock. Optional low voltage lighting and wooden floors are also available.

Available Colours:

Honey (HO)

Cider (CD)

Caoba (CA)

GZ01

VERA

Vera is a gazebo with a very spacious interior, sized 3.35m x 3.35m which can accommodate accessories such as a spa-side table and stools. Vertical corner lattices sized 1.48m x 0.82m. The central lattice of 0.63m standard width is easy to dismantle, thus enabling easy access to the interior from all sides. At the client's request this can be widened to 0.75m and installed directly over the ground.

Available Colours:

Honey (HO)

Cider (CD)

Caoba (CA)
